	River Launching Ramps: Soldier Point
	General Info
Thursday	Launch at Soldiers Point and travel around to d’ Alhora Marina where they will be many activities on the Marina, This will be for either the day or we are negotiating with the marina for a discounted price to stay the night. So your opinion on this would help us decide as to whether we continue with the negotiations. Alternate mooring for the night will be Fame Cove.
Friday	We will do a leisurely cruise to Tea Gardens for lunch then weather permitting we could go to Shoal Bay for a swim, or a coffee on shore then off to Fame Cove for our overnight stay.
Saturday	We will cruise up the Karuah River, anyone wishing to wet a line they tell me the fishing there is good. We may stay there for the night or return to Fame Cove.
Sunday	Unfortunately all good things must cease, so after breakfast and a chat those that have to go home will leave.
NOTES	<p>Tenders would be a good idea as there are many areas that we can explore on a chardy run.</p> <p>We will be on the water on Wednesday 25th so if you require any assistance we will be on channel 72VHF.</p>
